Fax: _____
Make awards check out to: _____
(must be a school, school department, or school organization.)

Do you use an alternate recycling facility or provider? (circle one) Yes No

The Montgomery County Material Reuse Facility promotes the reuse, rather than disposal, of usable building materials, art supplies, office supplies, office furniture, scrap rubber and cardboard from industrial cut out processes and other reusable items. These items, which normally would be thrown away are redirect to non-profit organizations such as low income housing agencies, school art programs and churches.

Partial List of Materials Accepted

Construction Material

Nuts, bolts, nails, wire, plaster, sheet rock, lumber, paneling, windows, doors, cabinets, toilets, sinks, tubs, PVC, paint, wallpaper, carpet remnants, mirrors, railing, molding, stairs and pillars

Art Supplies

Canvas, brushes, frames, mats, paints, paper, glue, clay, cardboard, crayons, markers, scissors, etc.

Non-Traditional Art Supplies

Manufacturing scraps, fabric, sequins, buttons, string, leather scraps, metal fragments, mirrors, vinyl, plastic, etc.

Tools

.Hand tools, paint rollers, paint pans, liners, etc.

Office Supplies

Desks, shelves, file cabinets, chairs, tables, usable computers, folders, binders, office supplies, etc

For more information regarding membership to MCMRF or to donate call 225-4999.

Earn Money! Win Money!

Help our Environment!

A rewarding recycling program for schools in Montgomery County.

What is Recycle Rally?

Recycle Rally is a competition for any K-12 school in Montgomery County. From **September 1st, 2008 to May 3rd, 2009**, students, parents, staff and other supporters of your school may bring recyclable materials to **Rumpke Recycling** at **1300 E. Monument** in Dayton.
(M-F: 8-5pm; Sat: 8-noon)

Rumpke and Montgomery County Solid Waste District will track the total amount of materials brought on behalf of each school.

How do we store collected recyclables?

The best way to have a successful Recycle Rally is to **not** plan on storing the recyclable items.

Try these tips instead :

- Rotate through a list of delivery parents or community volunteers that will take in the recyclables everyday or every other day.
- Have a neighborhood collection day. Get volunteers/students to pick-up from neighbors on a weekly basis then transport directly to the Rumpke Recycling center.

What can we bring?

Rumpke WILL accept:

- ▶ Paper products (junk mail, office paper, newspaper, cardboard)
- ▶ Aluminum and Tin Cans
- ▶ Scrap Metals (Steel, Brass, Copper, Aluminum- including clean foil)
- ▶ Plastics #1 & #2
- ▶ Glass Bottles

Rumpke CANNOT accept:

- ▶ Magazines
- ▶ **Uncirculated** newspapers
- ▶ Pizza Boxes (could be contaminated)
- ▶ Single items weighing more than 25 lbs.

Rumpke will now accept text books with the binding completely removed. The binding should be cut off so that all glue is removed.

What if we have another recycling program?

If your school has another recycling program and hauler, the recyclables collected by your school WILL count toward your final tally for the contest **if** the hauler is willing to give us weights. Be sure to note that you have a secondary hauler on the registration for so that we know to contact you for more information.

What if I have other questions or need help getting started?

If you need more information, please feel free to contact **Jennifer Mattingly** by email, mattinglyj@mcoho.org, or phone **937-496-6798**.

How do we get money?

Your school can earn money in two ways:

1. At the end of the competition, Rumpke will present your school with a check for the total value of all the recyclables turned in during the contest period. A list of current values for recyclables can be obtained from Rumpke.
2. Schools who turn in the most recyclables for their category win additional cash prizes*.
1st place receives \$2,000
2nd place receives \$1,000
3rd place receives \$500.

* a minimum of 1,000 pounds must be met in order to qualify for prize money in a division.

How do we participate?

Register your school.

Fill out the attached form and mail to Recycle Rally, 2550 Sandridge Dr., Moraine, OH 45439 or send by fax to 496-3363.

-OR-

You can register online at www.curby.org. A detailed competition kit will then be sent to your school.

Take your recyclables to Rumpke.

They will track the weight of the materials turned in. **Be sure to let them know it is for your school's rally!**

Attend the Recycle Rally Awards Ceremony!

Tentative: May 30, 2009
